01 · WELCOME

BISMILLAH

YOUNG, BUT EXTRAORDINARY.

In Shaa Allah we leave Naseeha on Saturday morning and return on Sunday afternoon. Everything you need is in this prospectus. Please read it together before he leaves.

Many of the Companions changed history as teenagers, and many others turned their lives around completely. OFFSCRIPT is built on that idea, through three main sessions, three mentor talks, sport, a bonfire and brotherhood.

We have chosen Amaan Resorts, a green, walled estate near Pattoki, about 2 hours from Naseeha by bus, with forest, open lawns and sports facilities inside its walls.

WHY OFFSCRIPT?

STEP OUT OF THE ROUTINE

A weekend away from phones and the usual routine: early starts, tough competition, heart-to-heart conversations and time to reflect, building faith, character and brotherhood.

WHAT HE WILL COME HOME WITH

Purpose
The belief that being young is a strength.

Friendship
Real friendships through sport and shared moments.

Salah
A stronger connection to his prayers.

Character
Practical tools for the battles nobody sees.

FOR PARENTS

Mentors are with your son from Saturday drop-off (8:00 AM) to Sunday pickup (3:00 PM) at Naseeha. Transport, chalet stay, 3 meals and 2 snack breaks are included, and every prayer is prayed in jama'ah.

Our hope: he comes home with more purpose, more courage, and the belief that it's never too late to become better.

With salaam, the Quest Team

06 · THE PROGRAMME

THREE SESSIONS, THREE TALKS

Three main sessions with activities, and three 10-minute mentor talks after salah. Each one builds on the last.

1

SATURDAY · 5:45 PM · INDOOR ACTIVITY

Built Different

Young, but extraordinary: the young Companions who led, protected and stood firm as teenagers. Being young is no excuse to live without purpose.

Being young is a strength, not an excuse.

2

SATURDAY · AFTER DINNER

The Comeback

You're never too far gone. Bad habits, missed salah, mistakes, and how people like Mus'ab ibn Umair (RA) turned their lives around.

You don't need to be perfect to start becoming better.

3

SUNDAY · AFTER FAJR · MIYAWAKI FOREST

Look Closer

A walk through the forest as dawn breaks. The boys explore, notice and reflect on the signs of Allah SWT all around them.

A habit of noticing Allah SWT in everyday life.

10-MINUTE MENTOR TALKS · AFTER ZUHR, ASR & MAGHRIB

TALK 1 · AFTER ZUHR

Code of Honour

Real strength: courage, standing up for what's right and protecting others, from the life of Sa'd ibn Mu'adh (RA).

TALK 2 · AFTER ASR

Lifeline

Why salah is the one thing you never drop, and simple ways to stay consistent even on busy days.

TALK 3 · AFTER MAGHRIB

The Hidden Battle

Self-control when no one is watching: facing private sins and temptations, and how to win.

SATURDAY NIGHT · BY THE FIRE

Around the Fire

Late-night conversations with mentors about faith, friendship and teen struggles, with snacks.

SUNDAY · ALL BOYS

Closing Circle

Final reflections together as a group, then a group photo before heading home.
